

WHAT CANADA IS DOING IN AFGHANISTAN!

On March 28, 2012, since Canadian and other foreign troops arrived in 2001? the Fourteenth and Final Report to Parliament on Canada's Engagement in Afghanistan was released. The report outlines the "accomplishments" Canada has made in Afghanistan between 2008 and 2011. One must ask the question: what "accomplishments" does the government speak of when hundreds of independent reports have indicated only a decline in the standard of living

TEACHERS IN BRITISH COLUMBIA FIGHTING FOR BETTER PUBLIC EDUCATION

Where do you stand on the issue of British Columbian teachers and the British Columbian government? As a teacher, I have to ask because it seems, if the media and letters to the editor are any indication, that the public might not side with the government, but is not totally ready to stand with teachers either. INDIAN IS NOT A FOUR-LETTER WORD

Indians can be equated with Europeans. The western hemisphere contains Bolivian Indians, Canadian Indians, etc. Europe contains French Europeans, German Europeans, etc. There are over 200 million Indians in the western hemisphere. It is sometimes said that 'Indian' is not valid because it is a European invention. However, most of the modern peoples and nations on earth were created by European colonialism. Page 4

ILLUSIONS TOLD AS FORECASTS

An editorial published on March 24th by The Economist, weekly speaker of the British financial oligarchy, tells stories and makes daring forecasts about Cuba, trying to show that the island, "has started on the road towards capitalism; and that will have big implications for the United States and the rest of Latin America."
